NAVIGATOR 700H

BRIG Navigator Series – the latest BRIG series in six years

The BRIG Navigator range has been designed and built with adventure in mind. This range slots in between the Falcon and Eagle series. It is a 'cross-over' concept that appeals to those who want to challenge the elements. Its solid construction and seating design provides the pinnacle of safety and stability when the Navigator is pushed to the limit. The Navigator's reinforced hull construction and jockey style seating is designed to provide the ultimate in safety and stability.
