Williams Turbojet 445

Williams Performance Tenders are the World's leading jet tenders

Stylish and practical, Williams Turbojet's powerful Weber Turbojet engine will rocket her from standstill to 20 knots in four seconds and won't stop until the far side of 40 knots. The Turbojet's spacious layout can accommodate passengers in comfort, with luggage space forward. Along with ferrying crew and guests, the Williams Turbojet has the power to tow a waterskier or wakeboarder with ease. Williams Turbojet tenders are the qualified choice for discerning yacht owner.
